

# Rise Dehumidifier Timer Function settings

Dear Customer,

Thanks for choosing Inventor products.

Due to a printing error, the hours shown on the control panel, do not correspond to the actual timer settings of the dehumidifier. Please read the instructions below, in order to set properly the timer function.

In case you need further clarifications, please do not hesitate to contact us at <https://www.inventorairconditioner.com/contact>

1h icon "  " corresponds to 8 hours timer setting.

2h icon "  " corresponds to 4 hours timer setting.

4h icon "  " corresponds to 2 hours timer setting.

8h icon "  " corresponds to 1 hour timer setting.
